28th January 2009

Dear Sir

Malaysian RFID Spectrum

With regards to Malaysia RFID spectrum on the 919 – 923MHz allocation in the SRSP, there are two power levels provided for. Authorisation for ERP below 2W is by way of Class Assignment (CA) and up to 4W is by way of an Apparatus Assignment (AA). The use of equipment exceeding 4W is not permitted. The use of spectrum under CA does not require an application to MCMC but for AA, an application is required.

We would like to confirm that Econsensa Technologies Sdn Bhd is an official registered EPCglobal member with GS1 Malaysia and the Mr. KK Kong is actively involved in EPCglobal regional and local programs and activities he is the co-chair of the EPC / RFID Task Force on Awareness and Promotion.

Thank you.

Yours sincerely

Goh Chiang Fein
Senior Manager
